

Seniors Graduation Walk

Senior students enjoyed a series of memorable events to celebrate their graduation. The day began with a photoshoot session filled with joy and camaraderie as they posed for the last time at BISM. Following the photo shoot, the students took a heartfelt walk through the school corridors, greeted by proud and excited students clapping with joy! It was a special moment when seniors were surprised by their parents cheering them between students during the walk. A cherished tradition continued as the students planted a tree under their name, it symbolizes growth and leaves a lasting legacy at our school. The celebrations continued with the cutting of the yummy senior cake. The celebration ended with an exhilarating open bus ride around Madinaty. The students celebrated their graduation with cheers and laughter, creating unforgettable memories as they marked the end of their school years and the beginning of new adventures. We congratulate our graduates and wish them all the best in their future endeavors!

Positive Discipline Workshop for Parents

Last week, we hosted a highly successful workshop aimed at helping parents foster a disciplined home environment, aligning with our school's positive discipline approach. It provided parents with valuable practical tools to address various behavioural challenges effectively. The session focused on three key areas: **Effective Discipline Techniques for Challenging Behaviours:** Parents learned constructive strategies to manage difficult behaviours, emphasizing the importance of setting clear boundaries while maintaining positive relationships with their children.

Supporting Children Who Are Being Bullied: It covered ways to identify signs of bullying and provide essential emotional and psychological support to bullied children.

Positive Approaches for Working with Children Who Bully Others: This segment addressed understanding the reasons behind bullying and using empathetic, proactive approaches to encourage positive behaviour change and empathy development.

Parents left the workshop better equipped to create a caring and disciplined home environment. Thank you to all who participated to this valuable session.

Spelling Bee Competition

These last two weeks pupils in BISM Primary have been taking part in their last Spelling Bee of the academic year. Although this is a competition that results in winners on the day, the truth goes far deeper. This academic year has seen a massive improvement in the spelling results of each pupil. The dramatic increase in spelling ages across all year only help to highlight the tremendous improvements that have happened this year. It is a real joy to watch children come not school practising their spellings with their friends and making a real effort to learn both the spelling and meaning of a word. The Spelling Bee competitions have been a large piece of the transformation, so although your child may not have been an actual winner on the day, through the year they have definitely been one!

Back to the competitions and a big Well Done to the winners of each year group.

Year 2: 1st - Asser 2A, 2nd - Daniel 2B, 3rd - Laith 2B

Year 3: 1st - Chris 3D, 2nd - Heaven 3E, 3rd - Mona 3A

Year 4: 1st - Jouiry 4A, 2nd - Karas 4A, 3rd - Selim 4B

Year 5: 1st - Habiba 5D, 2nd - Yassmin 5C, 3rd - Rován 5D
