Teacher

Core Values

PLAYDOUGH CREATION	In this club you will learn to make your own playdough then create all the things you want, following simple easy steps.	Ms. Doris	Always Learning
BOARD GAMES	Children will play board games which are helpful for coordination, communication skills and teach children how to follow instructions and encourage healthy competition.	Ms. Mouna	Always Learning One Team
MINDFUL COLOURING	Mindful Colouring helps us to focus on how we choose and apply colour to bring our awareness to the present moment. This process is similar to meditation where we let go of any thoughts about tomorrow or yesterday. Children can have fun colouring while they relax and let go of any worries or concerns.	Ms. Sarah	Care-Always Learning
DOT TO DOT	Dot-to-dot is a form of drawing in which numbered dots on a page must be connected in ascending order to create a final picture. It will help the students to build their confidence when it comes to maths. It also help to improve lots of fine motor skills, such as hand-eye coordination.	Ms. Anna	Always Learning
YOGA	Children will learn yoga poses which will help strengthen their growing bodies and improve their flexibility. They will also practise breathwork and meditation to help them relax and reduce impulsivity.	Ms. Yousra	care-Always Learning
DANCING AROUND THE WORLD	Children will explore different cultures through their exotic dance moves. They will learn about different fascinating traditions.	Ms. Noha	care-Always Learning
DODGEBALL	Team sport in which players on two teams try to throw balls and hit opponents, while avoiding being hit themselves.	Mr. Karim	One team Always Learning

WEDNESDAY

BASIC COMPUTER CODING	Children will be using online resources such as 'Tynker' and 'Scratch' to learn basic one step computer coding. They will have the opportunity to create and debug simple programs.	Mr. Karl	Always Learning
STORYTELLING	Children to listen to stories read to them and during which children will share their understanding of the story. This will help their presentation skills and develop the using of vocabulary and adjectives.	Ms. Ayah	Care-Always Learning
MOTOR SKILLS DEVELOPMENT	Children will do fun activities to develop their fine motor skills which involves the use of the smaller muscle of the hands	Ms. Samar	Always Learning
KAREOKE	Children get to choose their favourite song and sing along with the music whilst reading the lyric. This type of activity encourages students to speak out loud and read more confidently.	Ms. Randa	Always Learning-One Team
WORD GAMES	Children will get to work on their word building skills using different methods through fun activities and group games. The skill is essential to build confidence in reading, fluency, and enhancing their vocabulary and spelling.	Ms. Fatma	Always Learning
SKIPPING ROPE SKILLS	Children will learn how to develop their rope and skipping skills.	Ms. Ragia	Always Learning

YEAR 3, 4 & 5

MONDAY
